## ABOUT ARTHOP

*"The Fresno Arts Council's ArtHop is an arts and culture-focused event fueled by the passion and growing interest in the arts in Fresno."*

ArtHop occurs every 1st and 3rd Thursday of each month. It's one of the most active and successful programs organized by the Fresno Arts Council. Art lovers and enthusiasts from all walks of life flock downtown Fresno and the Tower District to meet and greet the artists and enjoy a reception and music. Museums, studios, galleries and other venues open their exhibitions to the public at 5:00 p.m. and run the free event until 8:00 p.m.

ArtHop has received a remarkable response from the Fresno community. Over 50 participating artist studios, galleries, museums, and other venues exhibit art and most, receptions during ArtHop, and it has become a special event for the community.
